# Highlights

## Nickel-plated connectors

Nickel-plated connectors establish a clean contact between the cable and connector for a reliable connection.

## Quality construction

Quality construction uses only top grade materials to create products of extended durability.

## Color-coded connectors

Color coded connections make it easy to install your cable into the correct inputs and outputs

## Easy grip

This non-slip grip makes connecting your components easy and ergonomically comfortable.

## Plug and play

Plug and play offers easy installation of components without time-consuming installations.

## Flexible PVC Jacket

Flexible PVC jacket provided protection to the delicate core of the cable. It also offers extended durability and ease of installation.

## Rubber strain relief

Rubber strain relief provides a secure, yet flexible juncture between the cable and the plug.
